 Meet Khokhar

Professional Profile

I am a PharmD fresher with a strong academic foundation in Pharmacology, Clinical Research, Pharmacovigilance, and Drug Safety. I am highly interested in starting my career in the field of Pharmacovigilance and Clinical Research where I can apply my knowledge of ADR reporting, clinical evaluation, and regulatory compliance to ensure patient safety. I am detail-oriented, a fast learner, and eager to contribute to the drug safety operations of a reputed organization.

Work Experience

Clinical Pharmacist Intern **July 2024 - June 2025:** *PDU Civil Hospital, Rajkot*
Rotated through Medicine, Pediatrics, Obstetrics and Gynecology, and Psychiatry wards, gained hands-on experience in patient counseling, patient education, medication chart review, ADR reporting and performed procedures such as ECG, catheter insertion, Intubation and RT insertion.

Clinical Pharmacist Intern **July 2023 to June 2024:** *PDU Civil Hospital, Rajkot*
Actively participated in ward rounds, reviewed patient therapies and assessed ADRs. Developed skills in medication management, patient care and collaborated effectively with healthcare teams to optimize treatment outcomes.
