Skype ID : jomyjjmg.

### **CAREER OBJECTIVE :**

- To obtain a position that will utilize my abilities to create a motivational and stimulating working environment which will help me as well as my colleagues to achieve the inner potential.
- To work dedicatedly towards the growth of organization and to improve my skill and knowledge with proficiency.

### **QUALIFICATION SUMMARY :**

- ❖ HCPC registered Radiographer and a BSc. graduate in Medical Imaging Technology from one of the finest institutions in India with Oneyear Hospital experience from one of the most reputed hospitals in Gujarat.
- ❖ Proficient in performing diagnostic imaging procedures (MRI, CT, X-Rays) with strong clinical time management and organizational abilities.

### **WORK EXPERIENCES :**

**20/7/2021 to Present**

#### **CT/MRI RADIOGRAPHER**

✓ **K.D. Hospital** – Ahmedabad, Gujarat.

- Maintained and operated imaging equipments like MRI, CT and X-ray machines.
- Proficient in performing all types of contrast, angiography scans, and non-contrast MRI and CT procedures according to the hospital guidelines keeping in mind the safety and responsibilities involved with it.
- Proficient in handling different types of X-Ray equipments like Conventional Radiography (CR) scans, DR, OPG, BMD (DEXA scans), PORTABLE X-Rays and contrast X-Ray procedures whenever required.
- Good experience in handling CT, MRI and X-ray scans independently especially during night shifts.
- Completing the patients' intake process, taking patients' histories and preparing & educating patients about the imaging procedure.
- Working with radiologists to evaluate images and determine if more are needed.
- Responsibility for maintaining department inventory and stocks supplies.
- **Equipments Handled** : MRI - GE 1.5 T Signa Explorer.  
CT - GE 128 slice Revolution Evo.

**3/2/2020 to 2/2/2021**

[INTERNSHIP]

**RESIDENT INTERN (Radiology)**

- ✓ **KASTURBA HOSPITAL**, Manipal, Karnataka
- Acquired significant skills in CT, MRI and X-rays as a part of educational training.
  - Handled CT machine ( Phillips 128 slice) performing contrast and non-contrast scans using good knowledge about the anatomy and ensured patient safety and responsibilities during the scan.
  - Performed routine MRI scans under the supervision of superiors which made me gain good knowledge in MRI.

**ACADEMIC SUMMARY :**

| QUALIFICATION                                                       | YEAR OF PASSING | INSTITUTION                                                          | PERCENTAGE / CGPA |
|---------------------------------------------------------------------|-----------------|----------------------------------------------------------------------|-------------------|
| BSc. Medical Imaging Technology with one year Internship            | 2021            | Manipal College Of Health Professions (MCHP), MAHE, Karnataka, India | 5.82              |
