

Curriculum Vitae

Personal Details:

Name: Dr Tarun Dilipkumar Rochlani
Age: 31 years
Sex: Male
Marital status: married
Spouse: Dr Tosha Desai
MD Radiodiagnosis
Nationality: Indian
Languages known: Hindi, Gujarati, English, Sindhi, Marathi

Contact information:

Current Address: 403, T8, Godrej Prime appartments, Shell colony Road no.2,
Chembur, Mumbai-400071.

Mobile: 9510064994

E-mail: drtarun1591@gmail.com

Education:

Degree	Institute	Board/University	Year of passing	Percentage
S.S.C	Dayamayi Mata convent school, Surendranagar	Gujarat Board	2006	92.43 (9 th rank in district)
H.S.C	M.K.higher secondary school, Ahmedabad	Gujarat Board	2008	94.3 (Merit rank 202 in Gujarat)
M.B.B.S	M.P.Shah Government Medical college, Jamnagar	Saurashtra University	2013	Saurashtra Pre-PG Entrance merit rank: 53
M.S (General Surgery)	M.P.Shah Government Medical college, Jamnagar	Saurashtra University	2017	63.00 (2 nd rank in University)
Mch Urology	Seth G.S medical college & KEM hospital, Mumbai	Maharashtra university of health sciences	2022	63.50

Professional Experience:

Department	Clinical Post	Duration
General Surgery	House officer	July 2014-June 2015
	Junior registrar	July 2015-June 2016
	Chief resident	July 2016-June 2017
	Senior resident	July 2017-June 2018
	Assistant Professor (Gujarat Adani Institute of medical sciences, Bhuj)	August 2018- August 2019

Department	Clinical Post	Duration
Urology	House officer	September 2019-August 2020
	Junior registrar	September 2020-August 2021
	Chief resident	September 2021-September 2022
	Assistant professor	September 2022 – till date

Surgical Interests:

Endourology, Uro-oncology, Reconstructive Urology, Female Urology, Renal transplant.

Clinical experience:

- Have individually performed various endourological procedures such as PCNL, Mini PCNL, RIRS, URSL (Pneumatic & Laser), Cystolithotripsy, PCCL, Bipolar & Monopolar TURP, TURBT, VIU, Ureterocoele incision
- Have performed various open surgeries such as nephrectomy, pyeloplasty, ureterolithotomy, ureteric reimplant, suprapubic cystolithotomy, urethroplasty (anastomotic, substitution), high inguinal orchidectomy, total & partial penectomy etc
- Have performed various laparoscopic surgeries like laparoscopic nephrectomy, radical nephrectomy, ureterolithotomy, Lap cyst deroofing, Lap orchidopexy and orchidectomy etc.
- Have individually performed emergency surgeries like bladder perforation repair, penile fracture repair, shunt surgeries for priapism, emergency DJ stenting, PCN insertion, SPC insertion

- Have assisted major open & laparoscopic surgeries such as radical cystectomy & ileal conduit/neobladder, radical prostatectomy, radical & partial nephrectomy, ureterocalicostomy, augmentation cystoplasty, ileal substitution of ureter, transvaginal & transabdominal VVF repair, Penile implant etc
- Have skilfully performed various ultrasound guided procedures like PCN insertion, SPC insertion, renal cyst aspiration, TRUS guided prostate biopsies.
- Have performed & assisted various andrology procedures like microvaricocelelectomy, TURED, penile implant.
- Have assisted kidney retrieval for cadaveric renal transplant, laparoscopic donor nephrectomy & recipient for cadaveric as well as live related renal transplant.
- Have attended heavy OPD, taken adequate preoperative and postoperative care of IPD patients, planned their follow-up and maintained patient records.
- Have directed and coordinated activities of nurses, assistants, residents and other medical staff.
- Have followed established surgical protocols and techniques during patient examination and operation.
- Have organised and participated in various regional, state level and national conferences, CMEs, laparoscopic and robotic workshops.
- Interested in academics with emphasis on studies dedicated to expertise in surgical techniques and surgical advances.

Presentations & Awards:

- Poster presentation in GUJSURGCON 2018 on ‘Seems like perforation, but there is no gas under diaphragm on X-ray’- Causes, work-up and management of intriguing cases.
- Poster presentation in USICON 2021 on ‘Selective arterial embolization as definitive management in Wunderlich's syndrome - conservative approach to a urological emergency in covid era’
- Oral paper presentation in WZUSICON 2021 on ‘Isolated Penile gangrene- A case series’
- Oral paper presentation in WZUSICON 2021 on ‘Enhanced Recovery after radical cystectomy: Initial experiences of a single institution’
- **Second Price** in Video presentation in WZUSICON 2021 on ‘Cystoscopic extraction of a pencil from urinary bladder using Amplatz sheath’
- **First Price** in Paper presentation in Mumbai Urology society conference 2021 on ‘Urogenital fistulae-The whole picture or part of the *Whole*.’
- **First Price** in Resident’s bowl quiz competition in USICON 2022.
- Invited as a speaker in USICON 2022 on the topic ‘What we expect as residents from

our postgraduate training.’

- Have completed ‘Basic course in Biomedical research’ by ICMR in 2022.

Publications:

- A Retrospective study on atypical presentations of uncomplicated appendicitis in a tertiary care with emphasis on management strategy in JMSCR Vol||06||Issue||07||Page 985-989||July (DOI: <https://dx.doi.org/10.18535/jmscr/v6i7.163>)
- A retrospective study of intussusception in children in JMSCR Vol||06||Issue||08||Page 18-22||August (DOI: <https://dx.doi.org/10.18535/jmscr/v6i8.04>)
- Prolene is thy culprit; boycott him – post renal transplant lower ureteric calculus with prolene acting as a nidus – a rare case report in IJCMPR Vol||07||Issue||06(a) ||June 2021||page no.5814-5816 (Doi: <http://dx.doi.org/10.24327/23956429.ijcmpr20211019>)
