[16th september-Till Date]

I currently serve as a social worker, conducting awareness sessions in slums, schools, and colleges. Additionally, I am currently association with Dr.Amit a medical Oncologist helps him in patient management. My experience extends to coordinating conferences, showcasing my versatile skill set in both community engagement and professional settings.

• DIKSHA FOUNDATION

OUTREACH WORKER

[14th sep 2023-15th Sep 2023]

I was actively involved as an outreach worker in the "Smart City project", a collaborative effort between Diksha Foundation, Patna Municipal Corporation and UNFPA. Our primary focus was on conducting awareness sessions within the slums of Patna, aiming to empower the community with essential information. Additionally, we organized health camps, providing crucial healthcare services to improve the overall well-being of the residents.

• Veer Chandra Singh Garhwali Government Institute of Medical Science & Research

MEDICAL SOCIAL WORKER TRAINEE

[14th June 2022-15th July 2022]

During my hospital visit as a trainee, I gained insights into the multifaceted role of a social worker in various departments. In the MRD, I learned about their pivotal role in organizing and managing medical records efficiently. In the Psychiatric Department, the emphasis was on counseling to support individuals facing mental health challenges. At CHC centers, the focus shifted to community outreach and ensuring access to healthcare services. In Gynecologist Centers, I observed the vital role of social workers in providing emotional and practical support to patients, especially in sensitive situations. Overall, the experience highlighted the integral contribution of social workers in promoting holistic well-being across diverse healthcare settings
