PROFESSIONAL SUMMARY:

Motivated and dedicated pharmacist with a diploma in Ayurvedic pharmacy from a recognized university. Possessing hands-on experience gained through an internship as a pharmacist in a government hospital. Eager and open to opportunities in the field, with a strong commitment to contributing to the growth and success of my employer. A quick learner with a passion for medicine and a desire to make a positive impact on the health and well-being of others.

EXPERIENCE:

GOVERNMENT HOSPITAL GUPTAKASHI PHARMACY INTERN (FEBRUARY 2024 - PRESENT)

Area of responsibility-

- Interacted directly with patients to understand their medical needs and provided them with appropriate medicines and treatments.
- Communicated effectively with doctors and healthcare professionals to ensure accurate dispensing of medications in accordance with prescribed treatment plans.
- Proficiently read and interpreted medication notes and prescriptions provided by healthcare providers, ensuring precise dispensation of medicines.
- Collaborated with pharmacy staff to maintain inventory levels, ensuring availability of essential Ayurvedic medicines and supplies for patient care.
- Assisted in counseling patients on the proper usage, dosage, and potential side effects of medications, promoting adherence to prescribed treatment regimens.
- Adhered to regulatory guidelines and best practices in pharmaceutical care, maintaining accurate records of medication dispensation and patient interactions.
- Participated in multidisciplinary healthcare team meetings to discuss patient care plans and contribute insights from a pharmacist perspective.
- Adapted quickly to the fast-paced hospital environment, demonstrating flexibility and resilience in managing multiple tasks and responsibilities effectively.
- Provided compassionate and empathetic care to patients, addressing their concerns and queries with professionalism and sensitivity.
