

DR. EKTA M. MANDORA

Physician (B.H.M.S.) — General Practice, Primary Care & Preventive Health

Jam Khambhalia, Gujarat, India | 9510462505 | ektamandora27@gmail.com

PROFESSIONAL SUMMARY

Physician (B.H.M.S.) with 5 years of general practice experience in patient assessment, diagnosis, treatment planning, and preventive care across a broad range of acute and chronic conditions. Comfortable applying evidence-based medical knowledge to varied clinical presentations and documenting findings clearly. Strong written communication and analytical skills, with a track record of independent clinical decision-making in high-volume OPD settings. Seeking a remote, contract-based role in healthcare-focused AI training and medical content review.

CORE COMPETENCIES

- General practice & primary care medicine
- Patient assessment, diagnosis & treatment planning
- Preventive healthcare & patient-centered care
- Evidence-based clinical decision-making
- Critical evaluation of medical literature & clinical guidelines
- Clinical documentation & written communication
- Anatomy, physiology & pathology
- Confidential, ethical handling of clinical data

PROFESSIONAL EXPERIENCE

Practicing Physician — Self-Owned Clinic, Jam Khambhalia *Present*

- Independently run a general practice covering full outpatient (OPD) flow: history-taking, patient assessment, diagnosis, and treatment planning across a wide range of acute and chronic conditions.
- Apply evidence-based clinical reasoning to form differential diagnoses and individualized, patient-centered treatment plans, with an emphasis on preventive care.
- Maintain accurate, clearly written clinical documentation for every patient encounter, supporting continuity of care.
- Manage high patient volume efficiently while maintaining strong patient rapport and trust.

Medical Officer — Wockhardt Hospital, Rajkot *6 Months*

- Provided general medicine OPD care, applying systematic patient assessment and evidence-based clinical reasoning across diverse presentations.
- Coordinated clinical follow-up and treatment continuity within a multidisciplinary hospital setting.

Medical Officer — L.P. Badiyani Hospital, Jam Khambhalia *1 Year*

- Independently handled general OPD consultations, evaluating symptoms and formulating evidence-based treatment plans.

Intern Medical Officer — Pujit Rupani Trust Hospital, Rajkot *1 Year*

- Supported OPD and IPD patient care, gaining hands-on exposure to diverse clinical presentations and basic emergency management.
- Assisted senior physicians with clinical assessment, case documentation, and treatment execution.
